WOMEN'S CLUB COORDINATOR INTERN

**Job description**

Women seeking asylum are especially vulnerable during their flight and do not always feel safe in Denmark's asylum centers either. That is why Trampoline House has created a Women's Club, offering special programs and a safe space for women only. The club meets once a week and offers lectures and workshops on feminist and human rights issues, legal and medical counseling, relaxation therapy, cooking, and community.

Women's Club has members from all over the world. Some of us are seeking asylum in Denmark or have refugee status here, some of us are temporarily living in Denmark or were born here. Women's Club is a safe space where women can talk freely about the problems we experience as women in our daily lives, in Danish society, and in the asylum centers.

In 2019, Women's Club also formed the initiative Sisters Cuisine Food Club, which organizes monthly migration political food events and workshops in the house, and publishes cookbooks.

Women's Club is open for all women and their children, and offers child care during opening hours. The mission of the club is to offer:

- individual advice and legal counseling for refugee/migrant/trafficked women
- community
- empowerment through woman-to-woman knowledge exchange

As a Women's Club coordinator intern, you will work closely with the Program Director on programming and hosting the club.
